**EcoVu Selected To Present At Red Herring “Innovation Illuminated” Conference :
Canadian Company Presentations September 5, 2007**

"Innovation Illuminated"

A celebration of Canadian technology - at Red Herring Canada 2007, September 5-7 in Montreal, Quebec.

This exclusive two-day event will highlight Canada's rapid emergence as a global leader in technology's ever-changing ecosystem. Top innovators, decision-makers, and key players from technology companies across Canada will gather for two days of comprehensive, lively, and intelligent discussions with a focus on the nation's evolution and advancement in such sectors as information technology, communications, life sciences, clean-tech industries, and much more.
